

NHS North Yorkshire CCG is committed to openness and transparency and ordinarily, Primary Care Commissioning Committee (PCCC) meetings are held in public. However, due to the ongoing situation with COVID-19 (coronavirus), NHS England has granted NHS organisations special dispensation not to hold meetings in public at this current time. NHS NY CCG is holding meetings using video conferencing facilities and is looking at ways for residents to have the opportunity to be involved in those meetings that are ordinarily held in public. In the meantime, we are publishing all decisions within 24 hours of Primary Care Commissioning Committee meetings taking place. Full minutes will be published at the next Governing Body meeting. We appreciate people's patience and understanding at this difficult time. Please contact us if you have any queries or concerns via email to nyccg.enquiries@nhs.net or telephone 01423 799300.
