

Humber Coast and Vale Partnership

Support for patients to stay healthy and live well with a long-term condition

FINAL VERSION 25.08.2020

This **toolkit** provides a directory of useful links and resources to support patients with long-term conditions to stay healthy and live well.

1. Some links provide general information to support staying healthy and living well and others provide more specific information to help you to look after yourself with a long-term condition;
2. Links have been collated from a range of sources, and this resource has been discussed with local clinicians.

Heart Conditions and Stroke Patient Education and Self-management resources
