Monitoring The report is provided for information purposes on a quarterly basis.													
CCGs Strategic Objectives supported by this paper													
	CCG Strategic Objective				X								
1	Strategic Commissioning: <ul style="list-style-type: none"> To take the lead in planning and commissioning care for the population of North Yorkshire by providing a whole system approach and to support the development of general practice. To make the best use of resources by bringing together other NHS organisations, local authorities and the third sector to work in partnership on improving health and care. To develop alliances of NHS providers that work together to deliver care through collaboration rather than competition. 				X								
2	Acute Commissioning: We will ensure access to high quality hospital-based care when needed.												
3	Engagement with Patients and Stakeholders: We will build strong and effective relationships with all our communities and partners.				X								
4	Financial Sustainability: We will work with partners to transform models of care to deliver affordable, quality and sustainable services.												
5	Integrated / Community Care: With our partners and people living in North Yorkshire we will enable healthy communities through integrated models of care.												
6	Vulnerable People: We will support everyone to thrive [in the community].				X								
7	Well-Governed and Adaptable Organisation: In supporting our objectives we will be a well-governed and transparent organisation that promotes a supportive learning environment.
