<b>Executive Summary</b> Report of key metrics across primary care for North Yorkshire CCG, executive summary is contained within the report on pages 3 & 4.  Please note:  <b>Population</b> Updating quarterly so June data will be available for the next report.  <b>GP Indicators dashboard</b> There has been a change to the categories for this dataset.  <b>GP Survey</b> Recently published. Overall experience at GP practices is improved from last year, getting through on the phone and feeling supported slightly lower than last year.  <b>Health checks</b> No SMI 21/22 data available yet. LD Health checks are now monitored monthly.  <b>PC Appts</b> Updated to show April 2021 data and April 20 v April 21 comparison.  <b>Digital interactions</b> Significant increase in NHS App uptake, assumed is due to the Covid Vaccine status being available on the NHSApp.											
<b>Recommendations</b> The Primary Care Commissioning Committee is being asking to note the report.											
<b>Monitoring</b> The report is provided for information purposes on a quarterly basis.											

## CCGs Strategic Objectives supported by this paper

	CCG Strategic Objective	X
1	<b>Strategic Commissioning:</b> <ul style="list-style-type: none"> <li>To take the lead in planning and commissioning care for the population of North Yorkshire by providing a whole system approach and to support the development of general practice.</li> <li>To make the best use of resources by bringing together other NHS organisations, local authorities and the third sector to work in partnership on improving health and care.</li> <li>To develop alliances of NHS providers that work together to deliver care through collaboration rather than competition.</li> </ul>	X
2	<b>Acute Commissioning:</b> We will ensure access to high quality hospital-based care when needed.	
3	<b>Engagement with Patients and Stakeholders:</b> We will build strong and effective relationships with all our communities and partners.	X
4	<b>Financial Sustainability:</b> We will work with partners to transform models of care to deliver affordable, quality and sustainable services.	
5	<b>Integrated / Community Care:</b> With our partners and people living in North Yorkshire we will enable healthy communities through integrated models of care.	
6	<b>Vulnerable People:</b> We will support everyone to thrive [in the community].	X
7	<b>Well-Governed and Adaptable Organisation:</b> In supporting our objectives we will be a well-governed and transparent organisation that promotes a supportive learning environment.
